Best Student Paper Submission and Conference Participation Process

1. **Carefully review submission guidelines**

2. **Select "Best Student Paper Submission"**

3. **Log in to your registered account**

- If this is your first time logging in, please register and fill in the corresponding registration information in English (* indicates required fields)

4. **Complete author information**

Notes: Manuscript submission requires the author who make payment for the submission to complete the registration via the submission system, and make payment when the submission is accepted by the conference organization.

- If the registrant is the first author, please check "I'm the first author" to automatically import the relevant information.

- If the registrant is **NOT** the first author, **do NOT check** the *"I'm the first author"* box. Instead, manually enter the first author's details, indicate whether they will attend the conference, and specify if they will be the presenter of the submission.

✓ I'm the first author. (Please check here, if you are the first author. Otherwise, please fill in the first author's information.)

5. Complete paper information

- Select **"Best Student Paper Submission"** as the Topic
- Submit a **fully anonymized** manuscript (remove all author/affiliation identifiers)

6. Confirm and submit

7. Complete registration information

Notes: Please complete registration and paper submission first (including invited, uninvited, and best student paper). If you are attending the conference without submitting a paper, you only need to complete the registration at this stage. We kindly remind you the payment portal will open once the paper evaluation phase is completed.
